- Staying fashionable and trendy without spending much time on shopping.

CHALLENGES:-

- Finding time to shop amid a busy schedule.
- Balancing professional attire with personal style.
- Managing the complexities of returns and exchanges.

Kanika Gandhi
College Student

SCENARIO-

She recently purchased a dress from Urbanic for her upcoming college fest. She used Urbanic's Lookbook section to get the inspiration. The dress exceeded her expectations in terms of quality, fit, and overall look, and she is thrilled with her purchase. Excited to share her positive experience, she decides to write a review.

EXPECTATIONS-

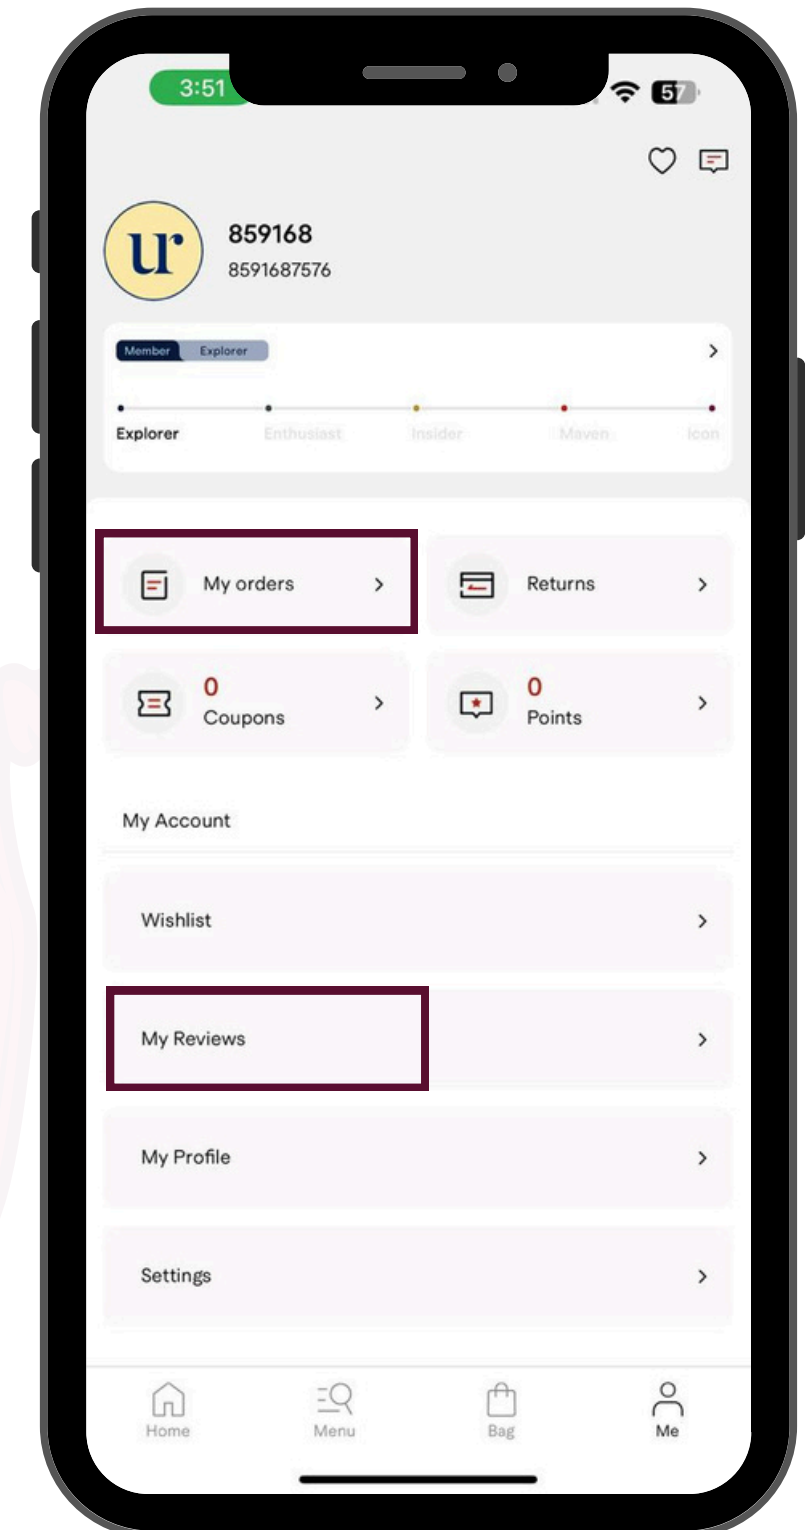

- Quick reviewing journey
- No Character limit
- Suggested prompts for writing a review
- Ease of submission

Let's look at her journey of writing a review on Urbanic!

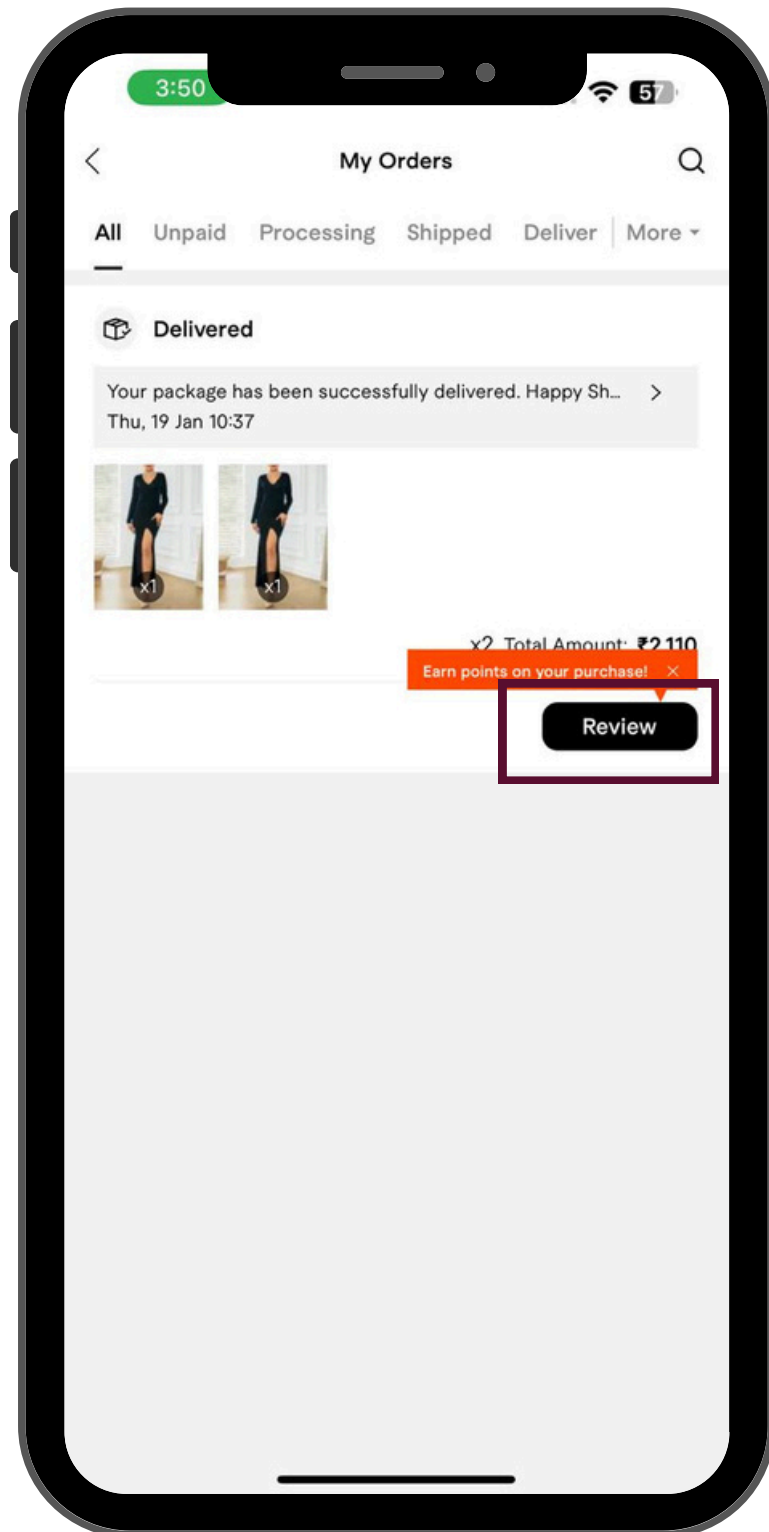

STEP 1

Open the app and Click on "My account"

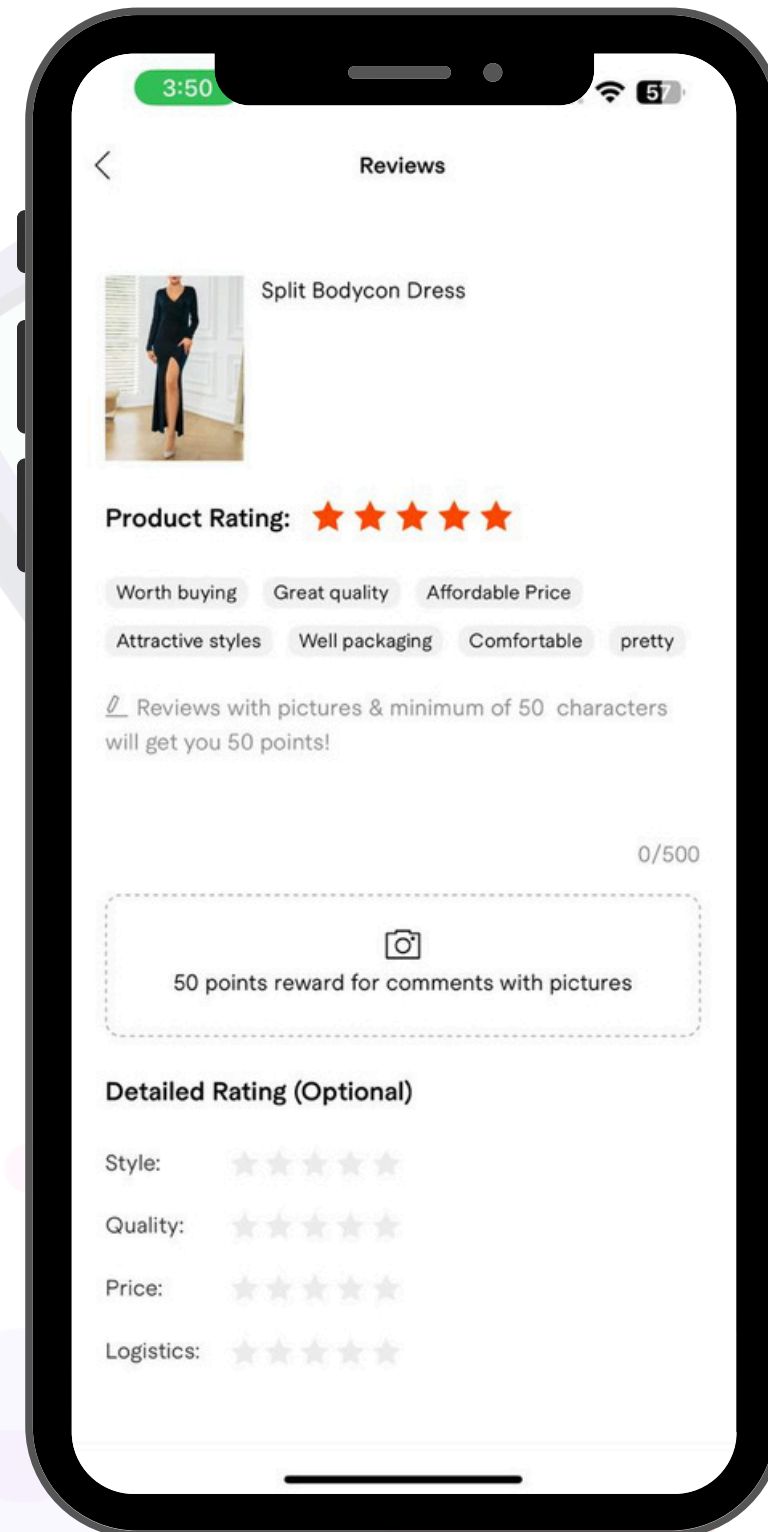

STEP 2

Click "My Orders" or "My Reviews"

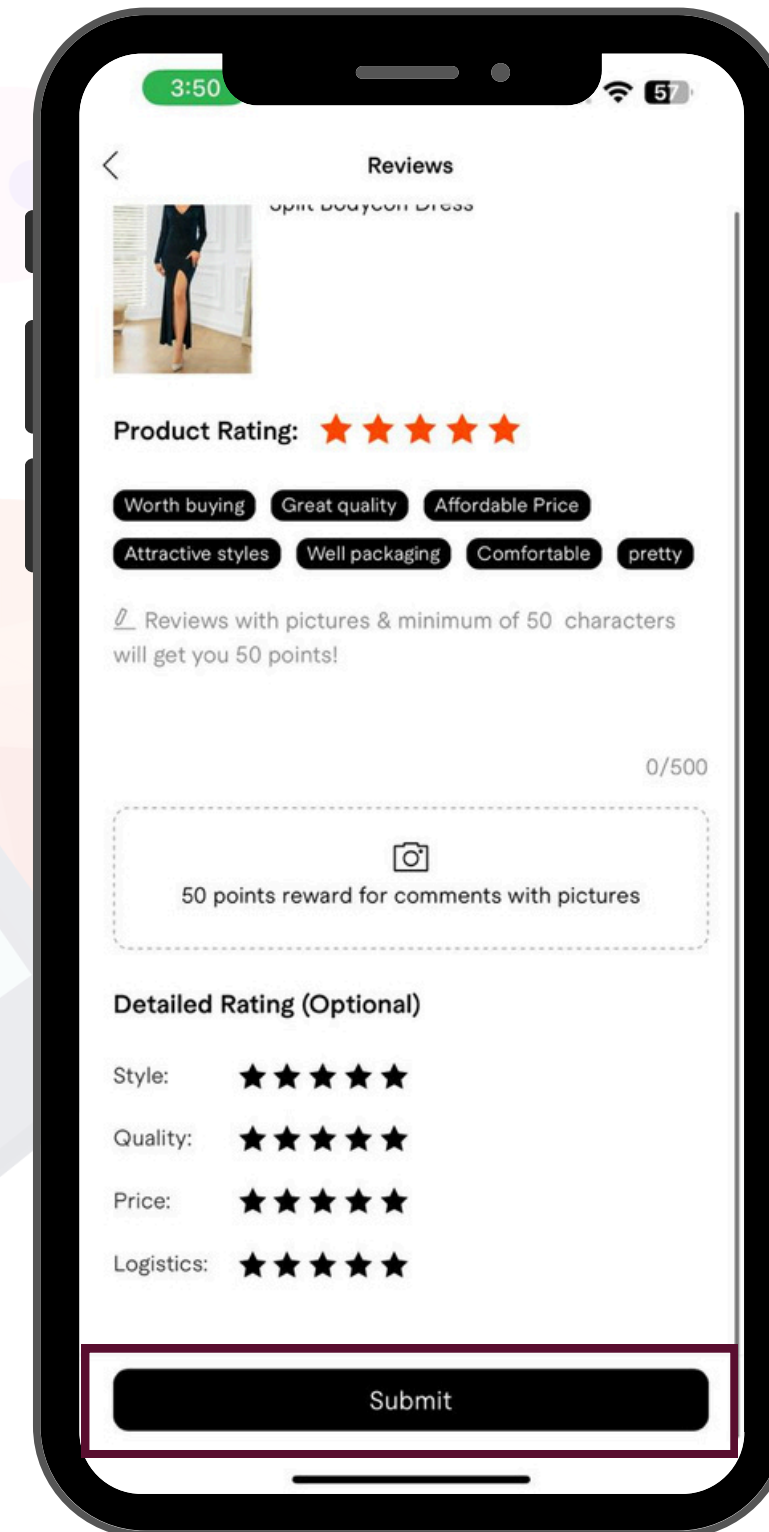

STEP 3

Click on “Review” to review and rate your order

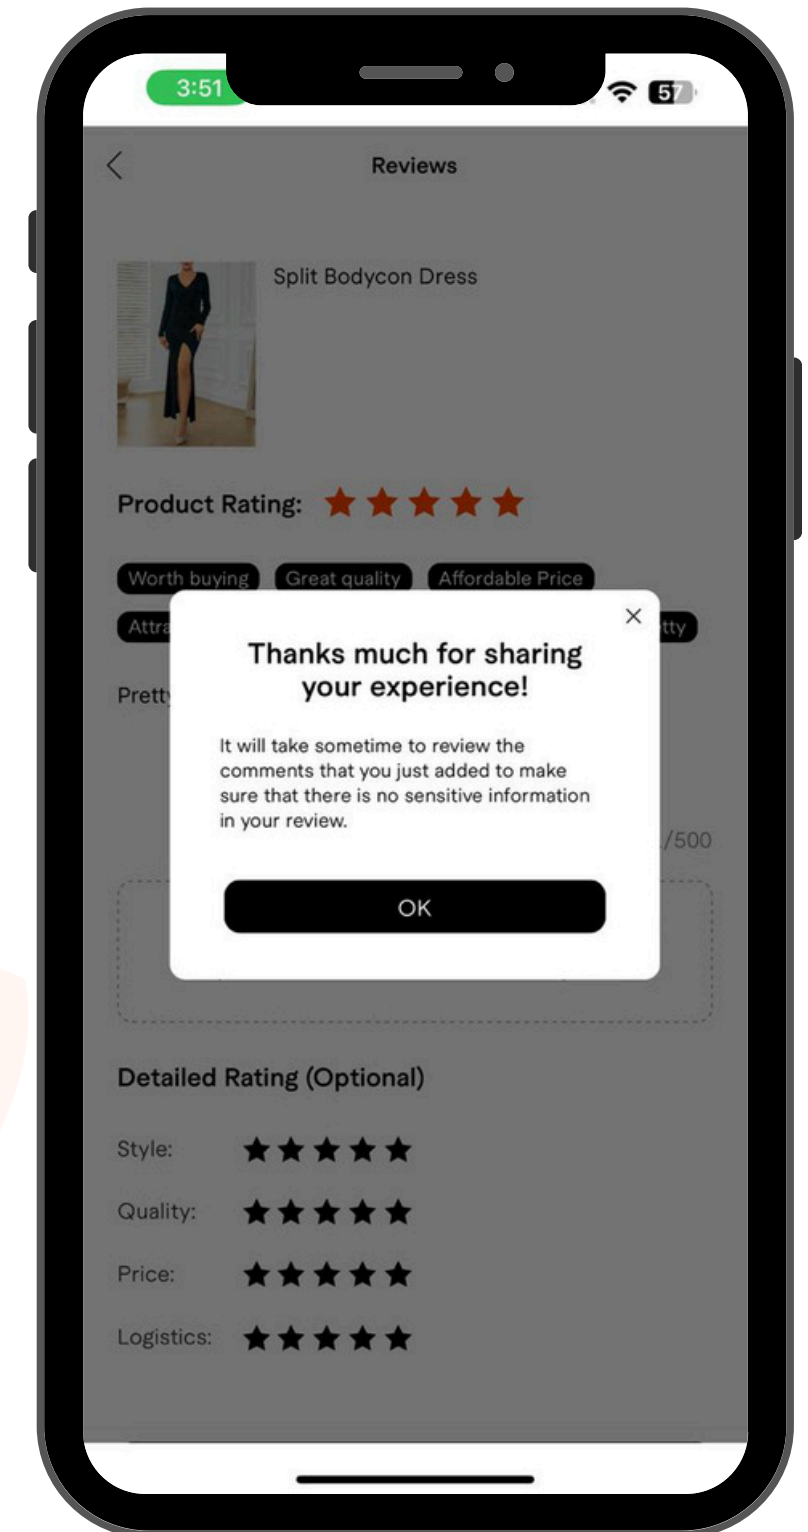

STEP 4

Rate your order, add text reviews and upload photos.

STEP 5

Submit your review

STEP 6

Review submitted successfully! You can edit your review once it is published

Stages	Consideration	Search	Review	Post Submission
Action	Decides to write a review after receiving the dress.	Navigates to Urbanic's review section and selects the item to review	Rate the product, write text reviews and upload photos and submits the review	Waiting for the review to get published and receive rewards
Thoughts	I want to share my experience	I hope this is easy to find and use	Great! I'll be rewarded for sharing my review and uploading pictures!	I hope my review is helpful to others and I get my points
Feelings				
Pain Points	Need a reminder to review the order	Had to navigate to my orders/ my reviews and then select the item to review	Getting bored in ensuring the character requirement	Uncertainty about when the review will be published
Opportunities	Prompt users to review with follow-up emails	Ensure the review section is easily accessible	Can suggest keywords and prompts for quicker review process	Providing clearer communication about the review publication timeline,

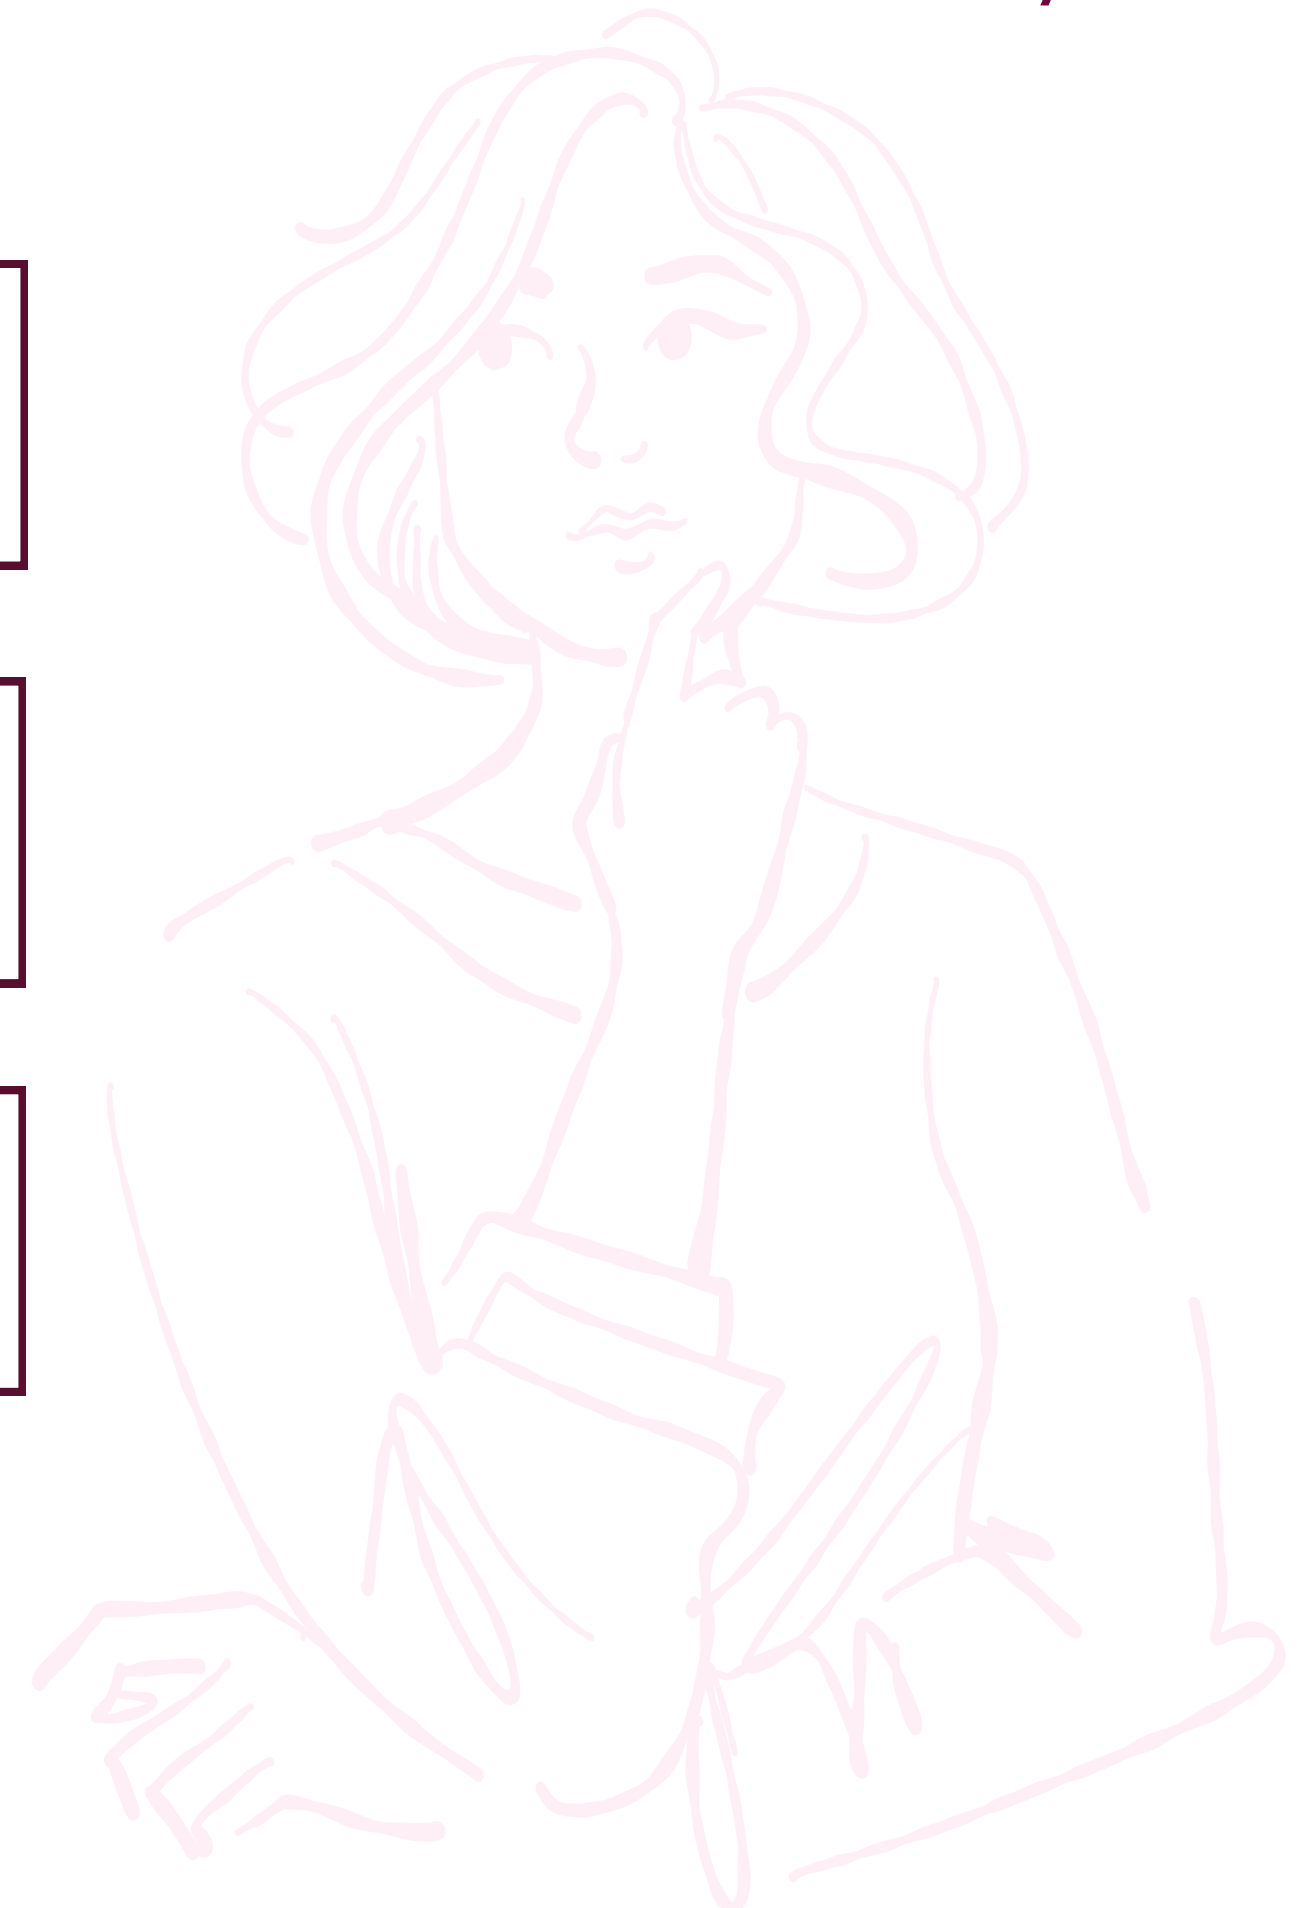

Key Metrics

$$\text{Review Completion Rate} = \frac{\text{Number of Completed Reviews}}{\text{Number of Started Reviews}} \times 100$$

$$\text{Review Drop-off Rate} = \frac{1 - (\text{Number of Completed Reviews})}{\text{Number of Started Reviews}} \times 100$$

$$\text{Reward earning Rate} = \frac{\text{Number of users who earn rewards}}{\text{Number of users who write reviews}} \times 100$$

Provides insights into the percentage of users who submit reviews with a minimum of 50 characters and also upload pictures
