SUMMARY

Associate Product Manager with 1.5+ years building 0-to-1 products and driving measurable impact through retention, conversion, and GenAI integration. Skilled in agile execution, cross-functional collaboration, and data-driven experimentation from discovery to GTM. Seeking APM / PM roles where product thinking meets real user impact.

EXPERIENCE

F22 Labs Pvt. Ltd.

Jun 2025 – Present

Associate Product Manager

Chennai

- **0-to-1 Directory:** Launched a PFP directory for NetworkFP from scratch, enabling professional discovery and direct contact, driving **new user acquisition from day one**.
- **UX Redesign:** Boosted **engagement by 15%** and **retention by 5%** by redesigning the learning UX and adding weekly quizzes to fix high drop-off points (NetworkFP).
- **Event Automation:** Eliminated **100% manual event writing** across 45 platform pages by building an n8n automation pipeline that auto-generates and logs view/click events to Google Sheets.
- **PWA Launch:** Improved **retention by 8%** and **cut drop-offs by 30%** by shipping a PWA to reduce friction and bypass App Store/Play Store barriers (SkyMD).
- **Support Flow:** Built an in-house support system where users raise tickets directly from the app/website, fully **replacing Zendesk** and eliminating **100%** of third-party support costs (SkyMD).
- **Website Optimization:** Lifted **engagement by 10%** and **conversion by 4%** by overhauling F22's site UX around user intent and streamlining navigation and CTAs.

Cars24

Dec 2024 – May 2025

Product Management Intern

Gurugram

- **Conversion:** Grew **appointment-to-inspection conversion by 4%** by resolving top-of-funnel friction across location accuracy, communication gaps, and last-minute cancellations.
- **Location Accuracy:** Increased **home inspections within 500m by 10%** by redesigning the appointment link and communications to capture precise customer location.
- **Experiment Design:** Cut **cancellations by 12%** and improved slot availability **5%** (test vs. control) by launching a pre-inspection confirmation call flow to verify customer availability.
- **GenAI Voicebot:** Enabled **40% automated appointment confirmations** via GenAI voicebot (live, Cars24 Australia) by designing prompt logic and tagging for AI-driven validation.
- **Web UX Revamp:** Owned the **first L2I desktop sell journey redesign in 6 years**, delivering modern UX with cross-platform parity.
